76th Annual Florida Strawberry Festival

Reflecting on 75 years of Family Fun

May 25, 2011

To Whom It May Concern:

I am writing this letter of recommendation on behalf of Walter and Victoria Murcia and the Pirates of the Colombian Caribbean Show. The Florida Strawberry Festival contracted this show for the 2011 Festival and the attraction was very well received by our guests and everyone seemed to really enjoy their high wire aerial tricks. This high wire aerial and acrobatic show definitely brought an added dimension to our event in which we were able to truly capitalize on. In addition to the show being very entertaining, we were able to gain some added media exposure through our media partners. The Murcia's were easy to work with and very accommodating to our requests.

The Pirates of the Colombian Caribbean is solid and I would recommend this show.

Sincerely,

Lee Bakst
Assistant General Manager
